We do not ship cd's of beats any longer. We only ship disks of exclusive beats with separated tracks. Find more info about **exclusive beats**.

Here's what you get

NON EXCLUSIVE RAP BEATS: Get a full length hip hop instrumental with prearranged sections for verse, hook etc. Most rap beats are 4:00 or longer but none are less than 3:30. LOOPS & RAP BEATS: Loops are not full tracks! They are 4, 8 or 16 measures long and do not contain verse and hook sections. Loops & Beats are great for creating your own version of the track. This means nobody else can purchase it and you will be the owner of the music/song you create with the beat. Get your rap **demo** ready today. An **Exclusive beat** is always shipped out on CD or DVD depending on the file size. You will get a direct download link to your **exclusive** rap beats as an mp3 to get started, but we will contact you for the shipping info.
